

CITY OF SAMMAMISH

PARKS & RECREATION COMMISSION

MEETING SUMMARY

March 27, 2006

Commissioners Present: Mary Doerrer, Chris Leyerle, Hank Klein, Rich Johnson, Pauline Cantor, Lynn Rehn, Vin Santoro, Steve Wright, John Rossi

Commissioners Absent: Frank Cowing

Staff Present: Jeff Watling, Hope Gibson, Linda Frkuska, Janie Marie

Call to order: 6:35

Meeting Summary for February approved.

Public Comment: Don Gerend, 2959 224th Pl SE. Enjoyed biking the new East Lake Sammamish Trail. He thought the County did a good job but noticed that there were no signs on the trail showing where to exit to the Parkway.

Ongoing Business/Project Updates:

Park Bond/Levy Study

Discussion about joint study session and issues pertaining to the bond/levy. Jeff reviewed the timeline. Bond/Levy generalities were discussed. Stakeholder groups were identified and will be invited to the next Park Commission meeting. Phase II of the Survey was discussed. Brainstormed ways to seek public involvement such as community survey; newsletter; channel 21; brochure.

Project Updates

Ebright Creek Park – The bid was awarded to Weiser Construction. We are working through contract items now with mobilization some time next month. Pauline Cantor and Steve Wright were part of a committee who reviewed submittals for the play equipment.

Sammamish Commons - Construction continues.

Beaver Lake Preserve - Trail building continues.

Community Field at Skyline – Working on permit drawings. We hope to apply for permits in April, take the project out to bid in June and start construction this summer with completion slated for late fall.

Town Center Plan Update: Vin Santoro and Hank Klein attended the first Town Center Meeting. There is a scoping meeting for environmental impact tomorrow night at Sammamish Hills Lutheran Church.

Adjourned at 8:55 p.m.
