A number of stakeholder groups were invited and attended the meeting. Jeff gave a broad overview and background of the history of the park system in Sammamish, the Park Plan, the 6-year CIP and how it relates to the need for a park bond/levy. Lyman Howard talked about the financial realities if a park bond/levy was passed. Afterwards, representatives of the stakeholder groups asked questions. After the stakeholder groups left, commissioners and staff discussed the key points that had been brought up.
