Project Selection and Prioritization for Potential Park Revenue Package – Presentation by OTAK

Chad Weiser reviewed the previously identified possible inclusions to the three potential bond packages and answered questions posed by stakeholder groups and commissioners.

Commissioners were asked to provide their comments in order to narrow down the options that will be presented to the City Council.

Thanks to OTAK for their hard work on this project.

**Project Updates:**

Beaver Lake Preserve trail construction is near completion. Parking lot construction is ready to proceed now that we have the performance bond paperwork on file with the City Clerk. Anticipated completion is later winter. Photos of bridges within the Preserve were shown.

Community Sportsfield at Skyline H.S. ribbon cutting will happen on November 18<sup>th</sup>.

Commissioners discussed whether or not there is protocol for being excused from meetings.

Stakeholder group thanked Commission for listening to their wants/needs.

Interviews for Parks Director will take place 11/9/07.
