**Commissioners Absent:** Gail Michelman

**Staff Present:** Jessi Richardson, Anjali Myer, Joanna Puthoff, Janie Marie

**Call to Order:** 6:38 p.m.

**Approval of Summary:** Meeting summary for July 9, 2008 was approved.

**Public Comment:** None

### Sammamish Landing Master Plan – Guy Michaelson, The Berger Partnership

A presentation by Consultant, Guy Michaelson to Commissioners focused on various areas of the site. Commissioners had the opportunity to discuss potential park elements and provided their ideas for this passive park.

### Summer Recap

Commissioners provided comments on summer events and favorite park elements.

### Capital Project Update

Evans Creek Preserve is currently undergoing the wetland delineation and property boundary survey. These last two planning level tasks need to be completed prior to final review by the City Council. Phase 1 implementation is anticipated in 2010.

### Pine Lake phase IIA

Construction of new picnic shelters is complete. Shoreline will close the end of September with work will commence thereafter. Shoreline work includes demolition of the existing dock. Project is on schedule and expected to be complete before opening day of fishing.

### Lower Sammamish Commons

The project is on schedule to begin in Fall 2009. BOLA Architects were hired to coordinate the project.

### Beaver Lake Preserve II & Beaver Lake Park Master Plan

The planning phase for both projects is scheduled for 2009.

### **Next Meeting is Wednesday, October 8.**

**Note:** The regular meeting on December 10 is cancelled. Instead there will be a joint meeting with City Council on Tuesday, December 9.

**Adjourned:** 8:37 p.m.
