Lake Washington Superintendent Meeting is on Thursday October 22nd: Come and drop in if you have any issues about your Lake Washington School District school that you would like to bring to the superintendent.

Issaquah Schools Foundation Healthy Youth Initiative: Works to keep teens healthy, whether that is healthy eating, alcohol and drug prevention, etc. Also thinking about a Teen Café in Issaquah; very first planning meeting is on September 23rd from 5:30-7pm at the Hailstone Feedstore across from the Village Theatre in Downtown Issaquah.

Charity Circle meets once or twice a month in City Hall to do community service with local non-profits e.g. Eastside Baby Corner. Fun and casual, 4:30-5:30 right before SYB meetings. All supplies are already here, so you just work in stations in City Hall to do service!

Klahanie Welcome Event, this Saturday September 12: Give out free tattoos to kids! Help them pick out a temporary tattoo and apply it. Also a good way to learn about Klahanie Park. Talk to Erika if you want to volunteer: erika@kerika.com

Sammamish Arts Fair October 10 and 11: Lots of art, lots of volunteer spots: email

Allison agubata@sammamish.us if interested!
