Rain Barrel and Compost Bin Sale

All items \$25 each. Cash only. While supplies last. No pre or post event sales.

Sunday - September 18, 2016

starting at 9 am at

Discovery Elementary School Only

To encourage the use of recycled content material and more efficient use of water, the City is offering recycled plastic **rain barrels** at a huge discount. In addition, start backyard composting with a **compost bin** to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste contains mostly water. Once the material decomposes, rich soil is all that's left.
