

Sammamish Citizen Corps Council

Cascadia Rising Drill June 07, 2016

Goals:

Acquaint residents of Sammamish about the Info Hub Program.

Inform residents about the Map your Neighborhood Program.

Motivate residents to prepare for a disaster.

Test our communications with Sammamish EOC and the Hubs.

Process:

- Established three Info Hubs for the Drill at Trader Joe's, Pine Lake QFC, and Klahanie QFC.

Demonstrate communication between Info Hubs using Amateur Radios operators at each location.

Help residents find the Info Hub closest to their homes.

Distribute flyers and discuss: Info Hubs, Map your Neighborhood, CERT and Disaster Preparedness.

Results

We had 27 CERTs and Residents volunteer during the drill.

Info Hubs were able to communicate with both Sammamish EOC and Sammamish Plateau Water during the drill.

We provided injects to Eastside Fire and Rescue.

We had conversations with over 200 Sammamish residents during the 12 hour drill.

Trader Joe's location – 109 visitors.

Pine Lake QFC location – 60 visitors.

Klahanie QFC location – 43 visitors.

Total 212. We had numerous conversations with other residents that did not sign the log.

Future Plans:

Continue to provide information to the residents of Sammamish through our website, blog, and Facebook.

Will staff a booth at the Sammamish Famer's Market in July and August, 2016.

Provide a Disaster Preparedness Fair in October, 2016.

Start a new CERT class in September, 2016.

Test the communication systems at our current Hub locations and new sites.
