

Notice of Application for a Subdivision / Plat Alteration / SEPA Notification

Chestnut Estates West - PLN2011-00049

Project Description: The applicant is proposing to subdivide approximately 85.51 acres of property located at approximately the intersection of 208th Avenue SE and SE 8th Place. The property is located to the west of the Chestnut Estates subdivision. Six parcels are involved in the project, including tax parcels 3225069227, 1561750470, 1561750480, 0524069034, and 0524069033. Significant portions of the site are constrained by critical areas, including Ebright Creek, Pine Creek, Kanim Creek, landslide hazard areas, and the Erosion Hazard near Sensitive Water Body overlay. The applicant is also proposing a plat alteration that would modify the existing Chestnut Estates subdivision to allow for a bridge across Ebright Creek and to modify an open space tract.

The applicant (William Buchan Homes) applied for the above project on December 23, 2011; following a review to confirm that a complete application had been received, the City issued a letter of completion to the applicant on January 10, 2012. On January 25, 2012, the City issued this Notice of Application / SEPA Notification by the following means: mailed notice to property owners within 500 feet of the subject site, a sign posted on the subject site, and by placing a legal notice in the local newspaper.

Applicant: William Buchan Homes
Public Comment Period: January 25, 2012 through February 15, 2012
Project Location: 20800 Block of SE 8th Place, Sammamish, WA.
Tax Parcel Number: 0524069034, 3225069227, 1561750470, 1561750480, 0524069033
Existing Environmental Documents: SEPA Checklist, dated 12/20/2011; Traffic Impact Analysis by Traffex, received 12/9/11; Geotechnical Report by Terra Associates, received 12/9/11; Preliminary TIR by Core Design, received 12/9/11; Critical Areas Report by The Watershed Company, received 12/9/11; TIA addendum by Traffex, received 12/23/11; Map checks, received 12/23/11
Other Permits Included: SEPA Determination, Subdivision, Plat Alteration, future construction permits
SEPA Review: Based on the submitted application, and available information, the City anticipates issuing a DNS or a MDNS for this proposal and the optional DNS process as specified in WAC 197-11-355 is being utilized. Consequently, this may be the only opportunity to comment on the environment impacts of this proposal. This proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. A copy of the subsequent SEPA threshold determination for the proposal may be obtained upon request.
