

SEPA Threshold Determination
Determination of Non-Significance (DNS) – August 5, 2019
Urban Forest Management Plan

Description of proposal:

The Community Development Department is considering the adoption of the Urban Forest Management Plan (UFMP), and related amendments to the Comprehensive Plan to incorporate the UFMP into Volume I and II of the Environment and Conservation Element as a reference.

The UFMP provides direction and vision for the next twenty years of planning. Short and long-term goals will be achieved by adapting the Plan to a five-year cyclical review and adjustments to operational objectives. The associated Comprehensive Plan amendments will ensure that its policies are in agreement with the content of the UFMP.

Proponent: City of Sammamish, Department of Community Development

Location of proposal: The UFMP goals, policies, and actions applies within the corporate boundaries of the City.

Lead agency: City of Sammamish, Department of Community Development

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted in writing and received by the deadline described below. Pursuant to SMC 20.15.130 there is no administrative appeal process for this action.
