

**Scoring Criteria 1: Qualifications/Expertise of Firms on Team**

**(Min pts 0 : Max pts 40)**

1. Include the following items:

- Provide a listing of all firms on your proposed team;
- List the type(s) of expertise that each firm on your team can provide;
- How long has each firm on your team provided these type(s) of expertise;
- For each firm on your proposed team, provide the number of employees within the state of Washington (including the Greater Portland Metropolitan Area). Also, provide the number of employees that each firm on your proposed team has nationwide; and
- Provide organization chart of your proposed team and include the respective roles that each firm will provide for the team.

2. Include the following items:

Provide listing of each team member's offices within the state of Washington, include the total number of employees within each location and the types of expertise that is available at each location.

3. Include the following items:

Has the prime consultant worked with proposed sub-consultant(s) on similar projects in the last three (3) years? If yes, provide name of the project, each firm's role on the project and the dates the services were performed. Limit examples to one (1) project for each sub-consultant firm.

4. Include the following items:

Provide table identifying current availability of key staff and resources for each firm on the proposed project team. The availability of staff must be identified as hours available per month for the length of the project, not in percentages of time available.

5. Include the following items:

Provide a list of up to three (3) projects that each firm on your project team has completed within the last three (3) years. The project(s) must demonstrate the required expertise needed for this project. Include the work/services provided on the project(s) and the approximate amount received for each project.

6. Include the following items:

Should this project be authorized for full design and construction, the CITY may authorize the CONSULTANT to provide construction support services. Please provide a description of your firm's experience delivering projects to completion.

**Scoring Criteria 2: Qualifications of Proposed Project Manager**

**(Min pts 0 : Max pts 50)**

1. Include the following items:

Provide up to three (3) examples for the proposed Project Manager that demonstrates his/her prior experience as a Project Manager on Local Agency or similar projects. Include the date(s) of each project; the name of the client/organization for each project; list the project manager's responsibilities and tasks on each project.

2. Include the following items:

Demonstrate the Project Manager's and Primary Team Personnel's familiarity with relevant state and federal regulations and/or procedures.

3. Include the following items:

Provide up to three (3) examples of the proposed Project Manager's ability to manage all of the following within a project: • Project schedule; • Scope of work/scope creep; • Budget issues; and • Changes that arise throughout the life of the project.

4. Include the following items:

Provide listing of professional licenses/accreditations for the proposed Project Manager; include the year that each license/accreditation was received. Please include the licenses that were obtained in the State of Washington only.

5. Include the following items:

Describe the Project Manager's experience developing and managing the Method & Assumptions documentation process.

**Scoring Criteria 3: Key Team Members Qualifications**

**(Min pts 0 : Max pts 40)**

(Prime Consultant and Sub-Consultants)

1. Include the following items:

- List each key team member's role/responsibilities on your proposed team.
- For each proposed key team member, provide up to three (3) examples of prior relevant projects. Include the name of project(s); dates of the project(s); and roles/responsibilities for each team member on those project(s); and
- For each key team member on your proposed team, demonstrate his/her understanding of CITY'S regulations/procedures; and
- Should additional funding be authorized for this project, the CITY may elect to have the CONSULTANT lead the SEPA alternative development and decision making process. Please describe your team's experience with SEPA alternative development and decision making.
- Should additional funding become available for further project development, describe the process the communications lead will use to present the project to, and engage with, the public and project stakeholders.

**Scoring Criteria 4: Firm's Project Management System****(Min pts 0 : Max pts 20)**

(Prime Consultant Only)

1. Include the following items:

- Describe your firm's Quality Assurance/Quality Control processes;
- Describe your firm's tracking system(s) to monitor the project's budget and/or scope;
- List your firm's scheduling program/process. List up to three (3) projects where the proposed Project Manager(s) have utilized this software/process;
- Describe your firm's process for interacting with your internal project team; and
- Describe your firm's ability to provide interaction with your client and/or stakeholders.

**Scoring Criteria 5: Project Delivery Approach****Min pts 0 : Max pts 30**1. Include the following items:

- How does your firm develop a work plan for this project;
- Who is involved with the decision making process for the development of the work plan;
- Describe each of the elements of the proposed work plan for this project; and
- Describe how your work plan addresses contingencies that may arise during the project.

2. Include the following items:

Describe your approaches to resolve issue(s) within the project team; client(s) and stakeholders.

3. Include the following items:

- Identify any key issues and critical milestones for the project.

**Scoring Criteria 6: References/Past Performances****(Min pts 0 : Max pts 0)**

(Prime Consultant Only)

Please submit a minimum of three (3) specific references, including name of client, mailing address, telephone number, email address and contact person, which demonstrate the firm's and sub-consultants' experience and expertise in performing work similar to this project. References may be checked only for the highest-scoring firms. References will not be scored but will be used to verify qualifications, which may affect the rating of the respondent.
