

Beaver Lake Park Master Plan Survey

How often do you use/visit Beaver Lake Park?

Answer Options	Response Frequency	Response Count
Never	4.7%	11
Rarely (At least once a year)	25.9%	60
Often (At least once a month)	37.5%	87
Frequently (At least once a week)	17.7%	41
Daily	5.2%	12
Other (please specify)	9.1%	21
<i>answered question</i>		232
<i>skipped question</i>		0

Number	Response Date	Other (please specify)
1	3/7/2009	Not daily, but several times/week
2	3/9/2009	2-3 times per month, weather permitting
3	3/11/2009	During little league season (spring and summer) I visit 1-3 week
4	3/11/2009	frequently during baseball season, often otherwise
5	3/12/2009	Daily during Little League Season
6	3/20/2009	Periodically, about 5X/year
7	3/25/2009	Whenever I'm in the area
8	3/27/2009	I live next door...
9	4/1/2009	my property borders on the park
10	4/13/2009	several times a week during baseball season
11	4/16/2009	Often in the summertime.
12	4/18/2009	few times a year
13	4/18/2009	Perhaps every other month
14	4/18/2009	Often in the winter, frequently in the summer
15	4/22/2009	6-8 times a year
16	4/22/2009	it depends on the season
17	4/22/2009	once a month during baseball season
18	4/22/2009	Frequently - Baseball season, but would like available for
19	4/22/2009	frequently in spring and summer
20	4/22/2009	seasonally - once/twice a week
21	4/23/2009	for la crosse practices

Beaver Lake Park Master Plan Survey

If you do not use the park, please indicate why? (please check all that apply)

Answer Options	Response Frequency	Response Count
Question not applicable, I use the park	48.5%	64
The park is not near my house	16.7%	22
Beaver Lake Park does not have the activities/facilities I enjoy	28.8%	38
I use other Park(s)	15.9%	21
Other (please specify)	6.8%	9
<i>answered question</i>		132
<i>skipped question</i>		100

Number	Response Date	Other (please specify)
1	3/9/2009	Typically I walk around the lake only.
2	3/19/2009	I live on the lake.
3	3/21/2009	I have property on Beaver Lake so attend meetings there but do not use the park for recreation
4	4/16/2009	I live at corner of 245th & SE 30th, which is one block from park.
5	4/18/2009	As my husband and I are retired, our park usage has declined over the years. We feel, however, that it is even more important for parks to be available for the people who do use them than ever before. Backyards have all but disappeared, and parks have come to replace them for almost everyone.
6	4/22/2009	Children participate in sports where turf fields are beneficial instead of grass fields.
7	4/22/2009	Would like more sunny areas
8	4/22/2009	all of the kids activities take place at other fields
9	4/22/2009	lacks sports fields for lacrosse

Beaver Lake Park Master Plan Survey

What mode of transportation do you and your family members use to get to Beaver Lake Park? (please check all that apply)

Answer Options	Response Frequency	Response Count
Car	84.9%	197
Bicycle/Scooter/Skate	22.4%	52
Walk	28.9%	67
Other (please specify)	5.2%	12
<i>answered question</i>		232
<i>skipped question</i>		0

Number	Response Date	Other (please specify)
1	3/7/2009	Run
2	3/8/2009	ride a horse
3	3/12/2009	Jog
4	3/13/2009	Sometimes we canoe over.
5	3/19/2009	paddle boat
6	4/16/2009	cross country skied when we had 1 ft. of snow in December!
7	4/16/2009	When we do go, we have to drive as 244th is not safe to walk along.
8	4/17/2009	boat from home on the lake
9	4/22/2009	Horse
10	4/22/2009	I run to the park every weekend
11	4/22/2009	Sports fields.
12	4/22/2009	run

Beaver Lake Park Master Plan Survey

On route to and from Beaver Lake Park, how do you feel about the route? (please check all that apply)

Answer Options	Response Frequency	Response Count
safe	49.6%	115
unsafe	23.3%	54
easy to find	28.4%	66
hard to find/tell others how to find	16.8%	39
convenient	29.7%	69
inconvenient	1.7%	4
Other (please specify)	18.5%	43
<i>answered question</i>		232
<i>skipped question</i>		0

Number	Response Date	Other (please specify)
1	3/7/2009	dangerous corner at 24th st and Beaver lake Dr SE for walking to the park
2	3/8/2009	depending on the trail system (along 24th for example) it's very unsafe to walk to Beaver Lake Park
3	3/9/2009	feel unsafe with kids. the sidewalk needs to be completed From NE 24th to the entrance by the lodge. We live near and like to walk.
4	3/9/2009	The road around the lake does not have a walking path, therefore if a car approaches you walk in the brush/woods until the car passes.
5	3/10/2009	Sidewalk/bike lane is needed from 24th Street to Beaver Lake
6	3/10/2009	There is a part 24th that needs a sidewalk from Wesley Park neighborhood to the existing sidewalk!
7	3/12/2009	especially the softball fields / dog park area
8	3/13/2009	Would like another entrance from power line easement. Also a sidewalk/trail on 244th.
9	3/13/2009	Walking, Running or Biking to Beaver Lake feels unsafe with the narrow road
10	3/15/2009	It is easy for me to find because I have lived here for 30 years....it probably wouldn't be for others new to the area.
11	3/16/2009	lot of traffic and narrow bike lanes on section of SE 24th along N side of park. Also a lot of speeding.
12	3/19/2009	Some parts of the drive around the north end of the lake have limited visibility when driving and very little room to accommodate cars + cyclists or pedestrians
13	3/25/2009	We know the way, but I do know others have difficulty finding the Beaver Lk. Lodge, and understanding the park is in two parts.
14	3/25/2009	It was my family's home for ten years: 1950-1960 so I'm very familiar with how to get there.
15	3/27/2009	fine
16	4/1/2009	244th does not have a good shoulder or bike path to get to the baseball fields and we don't like cutting through the Klosterman's property since they put their gate up.

17	4/12/2009	SE24th is too narrow to allow bkes to travel safely. The average speed of most vehicles along SE24 is 10-15 miles per hour over the speed limit.
18	4/13/2009	A couple of weeks ago I walked from our home to the park along SE24th pushing my 6 month old grandson in his buggy. It was quite frightening along the section from 244th to 248th - traffic goes very fast over the hill. Any development of the park needs to include completion of sidewalk along SE24th for safe pedestrian access to the park.
19	4/15/2009	no shoulders along W Beaver Lake Dr
20	4/16/2009	We enjoy the route, especially the rural character along most of the way.
21	4/16/2009	Unsafe when walking along the road, west Beaver Lake right before the entrance, would like a trail
22	4/16/2009	need sidewalks on 244th very dangerous to kids
23	4/17/2009	sorry that I am not able to answer the question. I only visited this park once in my life and someone drove me there. I do not remember the road.
24	4/22/2009	road is safe as long as there are no cars illegally parked, and as long as no bicycles are riding there. There is room on the road only for cars in both directions. It really should have bike lanes
25	4/22/2009	do not know
26	4/22/2009	don't know
27	4/22/2009	Safe for cars, very unsafe for bikes and pedestrians. We live in Trossachs and could easily walk or bike if there was a path.
28	4/22/2009	not alot of room on some side roads for safe walking or bikes
29	4/22/2009	With the two entrances, I always specify the ballfields or the
30	4/22/2009	From my house to B.L. Park - SE 24th, SE 20th and again SE 24th (east of Pine Lake) sidewalks are needed BADLY!
31	4/22/2009	the road to the park seems dangerous to walkers with only a shoulder
32	4/22/2009	Driving is safe, but would not feel safe walking or riding bike
33	4/22/2009	when there is not parking available in the park, it is kind of scary to walk there due to narrow road with blind spots
34	4/22/2009	No sidewalks, bike lanes, poor street lighting after dark. Very dangerous for cars and bikes to comingle when riding to the park
35	4/22/2009	If there were sidewalks we might ride bikes to the park.
36	4/22/2009	if walking
37	4/22/2009	244th is not a safe road to walk or bike along.
38	4/22/2009	great access until sidewalk ends at 244th.
39	4/22/2009	Like much of our city, it would be nice to eventually see good sidewalks leading to the park.
40	4/23/2009	Need more shoulder on some roads getting to and from Beaver Lake Park, especially with kids (on bikes)
41	4/23/2009	It is a little unsafe for bicycling to th park
42	4/23/2009	I drive from Cougar Mtn.
43	4/23/2009	i wish there were sidewalks all the way to the park. Traffic is always going too fast!!

Beaver Lake Park Master Plan Survey

When visiting the park, in what types of activities do you participate and/or what facilities do you use? (please check all that apply)

24	4/22/2009	I currently do not visit the park.
25	4/22/2009	Lacrosse
26	4/22/2009	Play catch w/ Lacrosse
27	4/22/2009	Lacrosse
28	4/22/2009	lacrosse
29	4/22/2009	Fall football practice
30	4/22/2009	football practice
31	4/22/2009	Lacrosse
32	4/23/2009	LACROSSE

Beaver Lake Park Master Plan Survey		
Are there any activities/features you would like to see at the Park that currently do not exist? (please check all that apply)		
Answer Options	Response Frequency	Response Count
More athletic fields	54.1%	120
Less athletic fields	6.8%	15
Improved athletic fields	58.6%	130
Swim Beach	28.8%	64
Dock	19.4%	43
More parking	22.1%	49
More park seating	12.2%	27
More sports spectator seating	10.4%	23
More trails	25.7%	57
More signage	11.3%	25
Other (please specify)	43.7%	97
<i>answered question</i>		222
<i>skipped question</i>		10

Number	Response Date	Other (please specify)
1	3/7/2009	develop dog water play area at the beaver lake finger lake by the bridge next to the entrance to the woods. I think that there needs to be a outhouse near the water, I often see people peeing in the woods because it is inconvenient.
2	3/7/2009	Fields are fine BUT NOT MORE
3	3/8/2009	Better trails both within the park and to get to the park (along Beaver Lake Drive and 24th).
4	3/9/2009	Playground area by the lodge
5	3/9/2009	A permanent indoor structure.
6	3/10/2009	sidewalk/bike lane to lake area
7	3/11/2009	less signage
8	3/11/2009	Baseball field lighting
9	3/12/2009	We enjoy the park very much the way it is presently.
10	3/12/2009	Public info posting board at/near off-leash area (for lost/found, services available/wanted, etc)
11	3/12/2009	Summer events such as movies shown on inflatable screens.
12	3/13/2009	More picnic tables and informational nature trails.
13	3/13/2009	Shoreline restoration. An outdoor stage would be fun.
14	3/15/2009	a map showing all of the areas....trails, dog park etc
15	3/16/2009	More play areas for young children on the lodge side as there are a lot of children in the area.
16	3/16/2009	kids playground like the one in the new park on 212th.
17	3/19/2009	Dog sitter in dog park

18	3/19/2009	If you are not using a car it is a seriously dangerous proposition to use the park. the entire beaver lake watershed area is well-used for recreation and the park should be the centerstone of that usage. Currently it is not - the biggest problem is that the entire place is optimized for access by car. Why not make it safe to access and use the part by other means (walk, ride, jog, etc)
19	3/20/2009	Direction signs along street for different sections of park. Fencing all along 244th and 24th.
20	3/21/2009	There are multiple schools on the Plateau with athletic fields. We do not need to bulldoze strips out of woodland parks for ball.
21	3/23/2009	Less dogs off leash in non off leash park trails. A no dog trail like the no horse trail through the center of the park. More focus on the natural habitat including education opportunities.
22	3/24/2009	explanation of the story pole stories
23	3/25/2009	Some reference to the historic components of the park, signage, pictures etc.
24	3/27/2009	kids spray/water park
25	3/27/2009	it's fine as it...
26	3/27/2009	mountain biking trails
27	3/27/2009	I think the park is fine as it is, and doesn't need any major improvement. It already satisfies the needs of different groups of people. If we have money today (which surprises me) then spend it on maintenance and minor upgrades. A hose at the dog park would be nice, better bark on the footpaths would be nice. However, none of these are essential!
28	3/27/2009	I would like the off leash area to be covered in sand or bark--something that can take the water and won't turn into solid mud every winter. It's useless as an off-leash area for 6 months out of the year! Grass will get destroyed every time you plant it.
29	4/8/2009	Artificial turf multi-purpose fields with lights
30	4/12/2009	Fine with current layout and amenities
31	4/14/2009	Turf fields for soccer and lacrosse play
32	4/16/2009	out more trees (more than the City did initially) would be a big mistake. The trees make this park aesthetically, protect the lake and keep it cool in summer. As more and more development happens, we need our park trees all the more. Active recreation should not be expanded at this park like it was at Pine Lake Park and Ebright Creek Park. The character of both of these parks was damaged by the removal of so many trees. The old trees, especially evergreens, should have precedent over active recreation for children. That demographic is only temporary (they grow up after all) and does not justify the disrespect that is shown by removing trees that are older than they are.
33	4/16/2009	DO NOT PUT LIGHTS IN YOUR IDIOTS
34	4/16/2009	No dog park. It is noisy for our neighborhood to listen to dogs barking all day. Also, fields should be multi-use and be able to be used by everyone. A few years ago I noticed the fields were locked making it seem like a private park rather than one financed by all citizens.
35	4/17/2009	Not sure
36	4/17/2009	All weather turf with lights for year round use.
37	4/18/2009	This is not an activity, but it would be good if there were something there about the rich history of the park area.

38	4/18/2009	historical aspect, interpretive signage
39	4/20/2009	Historical information/ exhibits.
40	4/22/2009	Turf multi use fields for lacrosse
41	4/22/2009	Turf fields be put in for Lacrosse
42	4/22/2009	turf fields for lacrosse
43	4/22/2009	multi pupose turf field for Lacrosse
44	4/22/2009	multi-use turf fields would provide universal sport use, lighting would allow more games and community participation in the dark, northern climes!
45	4/22/2009	LACROSSE FIELDS
46	4/22/2009	fields with lights, turf fields for lacrosse, socer and ultimate frisbee
47	4/22/2009	night time lighting at sports fields
48	4/22/2009	Lighted Lacrosse turf fields
49	4/22/2009	lacrosse fields
50	4/22/2009	turf field and lighting. it would be great to be able to use the field rain or shine
51	4/22/2009	Lighting, turf fields
52	4/22/2009	bike lanes and/or sidewalks on 244th
53	4/22/2009	Turf fields for lacrosse
54	4/22/2009	Field turf fields
55	4/22/2009	trails/paths for biking, walking to and from Trossachs and other surrounding neighborhoods.
56	4/22/2009	lacrosse/football fileds (all weather)
57	4/22/2009	turf sports fields
58	4/22/2009	Please upgrade for a lacrosse field!
59	4/22/2009	I think the city as a whole could use more fields. There are a limited number of fields and population projections indicate we are just going to have more and more people who will want to use them.
60	4/22/2009	LaCrosse Fields
61	4/22/2009	fields usable to football & lacrosse
62	4/22/2009	The addition of turf fields, so the sports fields can be better utilized year round, and by a larger variety of sports - our area is really struggling to keep up with the demand for useable fields.
63	4/22/2009	It needs turf fields
64	4/22/2009	Turf fields
65	4/22/2009	turf fields for lacrosse and soccer
66	4/22/2009	We would like to see the field expanded to include Lacrosse. It is the fastest growing sport in the area and is attracting more and kids every year!
67	4/22/2009	desperately need more turf fields!!!!
68	4/22/2009	all weather sports field
69	4/22/2009	Please don't take away our grass baseball fields!
70	4/22/2009	La Crosse
71	4/22/2009	All weather fields!!!
72	4/22/2009	sports turf on fields
73	4/22/2009	Would really like to see soccer/lacrosse fields added and lighting.
74	4/22/2009	turf fields for lacrosse
75	4/22/2009	Turf fields for Lacrosse
76	4/22/2009	Artificial turf fields for Soccor and Lacrosse.
77	4/22/2009	Lacrosse fields
78	4/22/2009	Lighted Soccer /Lacrosse Fields

79	4/22/2009	Specifically would like to see all-weather multi-use turf fields installed to help fill the need for more useable soccer and lacrosse fields.
80	4/22/2009	turf fields for lacrosse
81	4/22/2009	we desperately need more soccer fields..we would all use this facility more if the fields were available for multi use....
82	4/22/2009	lighted and turfed fields!
83	4/22/2009	We need all-weather fields that can be used for lacrosse
84	4/22/2009	turf field(s)
85	4/22/2009	lacrosse fields
86	4/22/2009	Need lacrosse-lined fields for the fastest-growing sport in our area.
87	4/22/2009	all weather field for soccer/lacrosse
88	4/22/2009	Multi-purpose soccer/lacrosse/football fields with lights. Baseball and softball need fields too, but these other sports would use the fields all year, not just for a three month season.
89	4/22/2009	Turf Lacrosse fields
90	4/22/2009	It would be great to have a turf field
91	4/23/2009	Lacrosse and soccer fields with all weather turf
92	4/23/2009	Make the fields all weather multi purpose
93	4/23/2009	I would like to see a multipurpose field so that the fields could be utilized all year long by other sports than just baseball
94	4/23/2009	Would also like to see fields for lacrosse which is growing very fast in this area
95	4/23/2009	all weather/multi use turf fields would be a great improvement! My son plays lacrosse and our community could really use more all weather turf fields!
96	4/23/2009	field turf for lacrosse fields!!
97	4/24/2009	It would be great to have turf/multi use fields added to the park that could accommodate both lacross and soccer teams. I think this would be a huge benefit to the community and our kids. Additionally, it would be nice to have field lighting which would significantly extend the usable season and hours of use.

Beaver Lake Park Master Plan Survey

Are there any current activities/features you would like to see removed from the park?

Answer Options	Response Frequency	Response Count
No	90.1%	200
Yes (please specify)	9.9%	22
<i>answered question</i>		222
<i>skipped question</i>		10

Number	Response Date	Yes (please specify)
1	3/7/2009	The off-leash dog park should be removed if the city is not going to vigorously enforce the law in the remainder of the park.
2	3/7/2009	Boy Scout fence projects. Too many stupid signs...eg the mudlshious one.
3	3/13/2009	One athletic field. Off leash area. Dogs prohibited. Too many people ignore leash law.
4	3/13/2009	Bulkhead removal. Lily removal.
5	3/16/2009	The ballfields. The city has done a good job in recent years in keeping down the volume of the speaker systems but that's a constant threat to the quiet of this peaceful neighborhood.
6	3/16/2009	the ballfields - or if that is not possible at least a total ban on any form of sound systems from games at the fields. People walking dogs unleashed on the trails and the open grass area between the lodge and the maintenance facility which is used as another dog run.
7	3/19/2009	Sammy Public Works, when they have their new combined facility.
8	3/23/2009	Truthfully I would like to see the off leash dog area removed, especially as the entire park has always been considered an off leash dog area and now it just means more people than ever are coming from far away to use the entire park as an off leash dog area.
9	3/24/2009	In installing the small dog run you got rid of the neighborhood sledding hill.
10	3/27/2009	weddings are sometimes loud with outdoor band, not respectful of neighbors
11	3/27/2009	Please do not cut down any of the beautiful forest. There are not that many parks that have forest trails left! Neither Pine Lake or Ebright Creek have any forested trails. Soaring Eagle already has plans for another soccer field.
12	4/1/2009	The dog thing really needs to be better controlled - maybe police it better
13	4/5/2009	Late evening games.
14	4/13/2009	do not expand sports fields beyond what they currently are.
15	4/15/2009	Public Works operations were never part of the original master plan for the park nor desired by the neighborhood.
16	4/16/2009	Dog park
17	4/16/2009	Maintenance facility
18	4/16/2009	Dog park
19	4/17/2009	Not sure
20	4/18/2009	Heritage of the park.
21	4/22/2009	turf fields be put in for Lacrosse
22	4/22/2009	off-leash dogs in areas where leashes are required

Beaver Lake Park Master Plan Survey	
Beyond specific park features, what might you recommend to improve the Park's current character, making it more appealing to visit?	
Answer Options	Response Count

<i>answered question</i>	102
<i>skipped question</i>	130

Number	Response Date	Response Text
1	3/7/2009	Dog Park fields are becoming very muddy with use. May need to add gravel and improve drainage. Grass will probably never grow given the usage.
2	3/7/2009	Please do NOT install any lighting at the ballfields. There is already so much light pollution in our community that nighttime stargazing is becoming a quaint activity of the past.
3	3/7/2009	Complete the bypass road that was part of the Norris/Wesley midigation and dead end or allow traffic to pass thru the corner in a one way direction only. This would make the park much safer for pedestrian traffic. This park has a huge amount of visitors, This is unrecognized by the city. Remove the city's maintance dept from the building that should house only park staff. Why are all of the trees in the beach area being allowed to die due to soil compacting and park neglect, is this by design?
4	3/7/2009	I like the park the way it is. I would rather that my dogs could be off leash through out the park and not have to be on leash all the time. The off leash area
5	3/8/2009	Please do not develop this part too much. It's fine as is. We want to keep it small.
6	3/10/2009	It's perfect!
7	3/10/2009	Improve sidewalks for people walking to the park.
8	3/11/2009	sand in the dog park
9	3/11/2009	Safe multi-use linkage to trails and parks in the city. Removal of invasive species in the water and on the land.
10	3/11/2009	keep it as natural as possible, ie. no fences and new structures like what has happened at Pine Lake.
11	3/11/2009	Road from the South is busy and has no sidewalk or bike lane. Would be nice to be able to ride there on bikes safely with children.
12	3/12/2009	I wish something could be done about the mud issue in the large dog run, but realize that may be wishful thinkging.
13	3/13/2009	Adult swimming pool with bathhouse and deep end.
14	3/15/2009	remove those big ugly boulders and put fencing that matches the other...
15	3/16/2009	Establish park as a peaceful place for individual family activities, not team sports.
16	3/19/2009	Put bark down in the dog park so it is less muddy
17	3/19/2009	Make it safe to access the park. If you are trying to get to or from the park in anything but a car is is a seriously dangerous proposition.

18	3/19/2009	Enforce on-leash requirements for pets. Allow horse back riding. Path access to streets south of park, e.g. Sunny Hills Estates. Continue to use for storm debris delivery point. Perimeter path, esp. SE corner area. Expand no. of picnic tables.
19	3/19/2009	encourage users to travel by bike by making it approach safer for bikes.
20	3/20/2009	Provide side walks from Beaver Lake Road
21	3/21/2009	Don't spend money on something that is currently working. We are heading into budget shortfalls. Transfer this project money into maintenance and security and be happy with the status quo for a few years.
22	3/23/2009	What is appealing to most about this park is the forest, the sights and sounds of birds, wildlife, natural beauty. The narrow, winding paths really allow you to feel surrounded and even in this busy city feel like you are far away. Promoting that is what I would want for the character, the wide straight path like the one for the sewer line, the constant sounds of dogs barking, sports events etc really detract from what is a very lovely park.
23	3/24/2009	Better access via bike and walking.
24	3/25/2009	Some reference to the historic components fo the park, signage, pictures etc.
25	3/27/2009	canoe rentals
26	3/27/2009	I would leave it exactly as it is. One of the most unique and beautiful things about the park is the combination of trees and amenities. Whatever happens, please do not cut any trees down to make room for more amenities - that would destroy the very uniqueness and beauty of Beaver Lake. There are lots of parks around with ballfields and green grass. Lets keep the beauty of the North West for as long as we can.
27	3/27/2009	As above regarding off-leash area. Perhaps more picnic tables near the ball fields.
28	4/1/2009	really disappointed to see the trees cut the way they have been (butchered) poor decision in my view.
29	4/5/2009	Use the lake end of the park instead of putting all of the burden of this park on the residents at the west end.
30	4/8/2009	na
31	4/12/2009	Few more picnic tables for people to enjoy lunch, tc.
32	4/13/2009	make a place for family activities, not sports activities
33	4/13/2009	Provide Turf fields so the current fields don't get torn up as much.
34	4/15/2009	Keep it as natural as possible; it is getting gentrified with all those fancy fences
35	4/15/2009	Clean up maintenance building. Remove concrete ecology blocks.
36	4/15/2009	Make the park usable for swimming & boating for the public.
37	4/16/2009	More picnic tables and an outdoor shower to wash the lake water off after swimming.
38	4/16/2009	I like it the way it is.
39	4/16/2009	swiming beach and soccer fields - stop locking up ball fields. Putting in lights
40	4/16/2009	Connect both sides of the park, better entry, more signage, trails to other parks
41	4/16/2009	Keep lots of nature areas in the park. Better way for our neighborhood to get there other than driving.
42	4/17/2009	Keep informal uses.
43	4/18/2009	A kids play area would be nice like Pine Lake Park
44	4/18/2009	History and heritage signage.
45	4/18/2009	Perhaps a plaque or something similar describing the history of the park
46	4/18/2009	field turf fields for football, lacrosse, and soccer.
47	4/18/2009	See above.

48	4/19/2009	Include information about Beaver Lakes' History, past.
49	4/20/2009	Historical exhibits
50	4/22/2009	all weather turf fields for Lacrosse
51	4/22/2009	Specific times when dogs could walk the trails off leash. Depending on age, health problems some dogs cannot 'play' with all the other dogs and it would be nice if their were longer trails to walk them.
52	4/22/2009	put in turf and lights so lacrosse can play.
53	4/22/2009	Check out the buck park skatepark big enough for accomplished skaters, fun to watch; also check out Snedegar park in Chandler AZ, their all inclusive park design is very community friendly exterior of park rimmed with walking/jogging trails, interior multi-use fields and skatepark in center near community arts/rec buildings and bathrooms provide well thought out plan and design.
54	4/22/2009	Install turf fields for Lacrosse, add lighting to extend the usable hours.
55	4/22/2009	Larger playground
56	4/22/2009	Lacrosse field
57	4/22/2009	Turf Fields and lighting
58	4/22/2009	Turf and lighting
59	4/22/2009	artificial turf would make the fields more usable, more often and more safe.
60	4/22/2009	Artificial Turf Fields for sports activities
61	4/22/2009	nighttime lighting for sports fields
62	4/22/2009	We would definitely visit if it had usable fields for lacrosse and/or football
63	4/22/2009	Turf fields and lights for lacrosse, football and soccer!!!!
64	4/22/2009	Improvements to and more ample parking. More trails, safety lighting around
65	4/22/2009	All purpose turf for year-round lacrosse and soccer!!
66	4/22/2009	TURF FIELDS!!!!
67	4/22/2009	field turf for lacrosse
68	4/22/2009	We are interested in upgrading the fields to the all weather multi use fields. It just makes sense with the amount of rain that we have here. Also, it would be nice for the Lacrosse and soccer players to be able to use them.
69	4/22/2009	Lacrosse fields!!!
70	4/22/2009	I actually really like this park...we get there about 1/2 dozen times in the year...it would be more if there were soccer/lacrosse fields since I have two very active sons
71	4/22/2009	Signage to get people there.
72	4/22/2009	Turf fields - see the above.
73	4/22/2009	Improved baseball fields, concession area
74	4/22/2009	Turf fields
75	4/22/2009	turf fields for lacrosse
76	4/22/2009	better access with wide paths or sidewalks on the feeder steets, better street lighting
77	4/22/2009	add football fields
78	4/22/2009	Turf feilds with lights!
79	4/22/2009	better all weather fields especially suitable for lacrosse
80	4/22/2009	More sports fields. Lacrosse/soccer, etc.
81	4/22/2009	La Crosse
82	4/22/2009	more friendly for sports
83	4/22/2009	All weather fields for all sports
84	4/22/2009	fields that can withstand our wet weather
85	4/22/2009	add turf fields

86	4/22/2009	Easier entrance to the park for cars
87	4/22/2009	I would like to see the park have multi use sport fields
88	4/22/2009	All purpose year-round turf fields for soccer and lacrosse as well as baseball.
89	4/22/2009	Lighting, better fields
90	4/22/2009	Make some turf fields for soccer/lacrosse.
91	4/22/2009	more soccer fields!!
92	4/22/2009	More multi use sports facilities. Our city needs a lot more multi sport fields.
93	4/22/2009	I'd really like to see an upgrade to the playing fields similar to the year round turf facilities that are appearing in neighboring communities.
94	4/22/2009	Upgrade the existing ballfields to all weather turf so not only baseball can use them but also soccer and lacrosse!
95	4/22/2009	lacrosse filds
96	4/22/2009	it is awesome. My kids have used the park a lot over the years. Love the Nightmare at Beaver Lake. We don't use the dog park, but know others who enjoy that.
97	4/22/2009	all-weather sports fields
98	4/22/2009	Turf fields for lacrosse
99	4/23/2009	Making a nice swimming area and dock would be great--it would be nice to have more areas on the plateau that are great for all ages of kids (and adults) to swim and have fun.
100	4/23/2009	It's a great park!
101	4/23/2009	it is a very nice park, keep it up!
102	4/23/2009	field turf!!!
