

Project Goals

Improvements on SE 4th Street are a priority for the City of Sammamish and is funded through construction.

This project will accomplish the following:

- **Increase safety for vehicles, pedestrians and bicycles.**
- **Provide pedestrian and bicycle facilities.**
- **Improve traffic flow and reduce congestion by providing raised medians and roundabouts at selected locations.**
- **Be aesthetically pleasing and a good fit with the Town Center vision.**
- **Provide water and sanitary sewer for Town Center.**
