3. The City shall notify the Fund Manager no later than December 15<sup>th</sup> regarding the amount of outstanding expenditures for which the City has not yet submitted a reimbursement request.
4. It is the responsibility of the City to comply with all applicable county, state and/or federal reporting requirements with respect to the collection and transfer of moderate risk wastes. The City shall report to the Contract Administrator the quantity, by type, of moderate risk waste collected using Program funds. The City shall also provide the Contract Administrator with copies of EPA's Non-Hazardous Waste Manifest or similar form, associated with the transport of moderate risk waste collected through Program-funded events.
5. The City is solely responsible for any and all spills, leaks or other emergencies arising at the facilities associated with the City's events or in any other way associated with activities conducted within the scope of this Contract. In the event of a spill or other emergency, the City is responsible for complying with all applicable laws and regulations.
6. The City agrees to appropriately acknowledge the Program in all media produced – in part or in whole – with Program funds. The intent of this provision is to further strengthen this regional partnership in the public's mind.
7. The City agrees to provide the Program with copies of all media material produced for local hazardous waste management events or activities that have been funded by the Program. The City also agrees to allow the Program to reproduce media materials created with Program money provided that the Program credits the City as the originator of that material.

If any exceptions to the request are made, this shall be done by written notification to the City providing the reason for such exception. The Fund Manager will not authorize payment for activities and/or expenditures that are not included in the scope of work, unless the scope has been amended. ### Evidence of Coverage

The above captioned entity is a member of the Washington Cities Insurance Authority (WCIA), which is a self insured pool of over 150 public entities in the State of Washington.

WCIA has at least \$1 million per occurrence limit of liability coverage in its self insured layer that may be applicable in the event an incident occurs that is deemed to be attributed to the negligence of the member.

WCIA was created by an interlocal agreement among public entities and liability is self funded by the membership. As there is no insurance policy involved and WCIA is not an insurance company, your organization cannot be named as an additional insured.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric B. Larson".
